

# **ADA ZHANG CURRENT POSITION**

## **Speaker key**

AZ                      Ada Zhang

AZ     It's not very big, just six peoples, but actually the scope of this team is very big, because we are, we are almost covering every aspects of the financial statement for the management account teams, so every team member is very committed to their jobs, and we try our best to deliver the result, and so it's possible for the board to make business decisions.
