Directors' Review

The directors are pleased to present the financial information for the six months ended June 30, 2023.

The business delivered sales growth of 44.6%, led by pricing. Volumes came under pressure as a result of sustained double-digit inflation and consequential erosion of consumer purchasing power. However, EPS grew by 55.2% mainly on the back of gross profit improvement driven by a combination of pricing and cost efficiency measures.

Financial Highlights	Six month June		
	2023	2022	Increase
	Rs '0	000	
Net Sales	18,737,716	12,958,626	44.6%
Profit before Taxation Profit after Taxation	5,590,257 5,189,410	3,545,021 3,343,303	57.7% 55.2%
Earnings per Share (Rs.)	814.67	524.86	55.2%

Future Outlook

Pakistan's economic and operating environment remains challenging. The recent IMF standby arrangement has provided temporary relief to the operating environment, however structural challenges remain to be addressed. Moreover, sustained inflation continues to impact consumer purchasing power, leading to more cautious spending habits including down trading and down grading, particularly for discretionary categories.

In light of the above, the company expects to face headwinds in respect of consumer demand. However, the management remains committed to create long term value for all stakeholders by leveraging global expertise and staying relevant to the consumers through sound understanding of their needs, innovations and new pack price architecture. Our recent innovations including spicy tikka and iron fortified noodles are a testament to our innovative mindset.

Thanking you all.

INDEPENDENT AUDITOR'S REVIEW REPORT

To the members of Unilever Pakistan Foods Limited

Report on review of Interim Financial Statements

Introduction

We have reviewed the accompanying condensed interim statement of financial position of **Unilever Pakistan Foods Limited** as at June 30, 2023 and the related condensed interim statement of profit or loss and other comprehensive income, condensed interim statement of changes in equity, and condensed interim statement of cash flows, and notes to the condensed interim financial statements for the sixmonth period then ended (here-in-after referred to as the "interim financial statements"). Management is responsible for the preparation and presentation of these interim financial statements in accordance with accounting and reporting standards as applicable in Pakistan for interim financial reporting. Our responsibility is to express a conclusion on these interim financial statements based on our review.

Scope of Review

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of interim financial statements consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim financial statements are not prepared, in all material respects, in accordance with the accounting and reporting standards as applicable in Pakistan for interim financial reporting.

Other matter

The figures of condensed interim statement of profit or loss and other comprehensive income for the three-month period ended 30 June 2023 and 30 June 2022 in the interim financial statements have not been reviewed and we do not express a conclusion on them.

KPMG Taseer Hadi & Co.

The engagement partner on the review resulting in this independent auditor's review report is **Moneeza Usman Butt**.

Notes to and forming part of the Condensed Interim Financial Statements (Un-audited)

For the six month period ended June 30, 2023

1. BASIS OF PREPARATION

1.1 Statement of compliance

These condensed interim financial statements of Unilever Pakistan Foods Limited ("the Company") for the six months ended June 30, 2023 have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan for interim financial reporting. The accounting and reporting standards as applicable in Pakistan for interim financial reporting comprise of International Accounting Standard (IAS) 34, Interim Financial Reporting, issued by the International Accounting Standards Board (IASB) as notified under the Companies Act, 2017; and provisions of and directives issued under the Companies Act, 2017 Where the provisions of and directives issued under the Companies Act, 2017 differ with the requirements of IAS 34, the provisions of and directives issued under the Companies Act, 2017 have been followed.

1.2 These condensed interim financial statements do not include all the information and disclosures required in the annual financial statements, and should be read in conjunction with the financial statements of the Company for the year ended December 31, 2022. However, selected explanatory notes are included to explain events and transactions that are significant to understanding of changes in Company's financial position and performance since the last annual financial statements.

1.3 Basis of measurement

These condensed interim financial statements have been prepared under the historical cost convention except as disclosed otherwise.

1.4 Standards, interpretations and amendments to published approved accounting and reporting standards that are not yet effective

Following amendments which apply for the first time in 2023. However, not all are expected to impact the Company as they are either not relevant to the Company's activities or require accounting which is consistent with the Company's current accounting policies

The following new standards and amendments are effective for the period beginning 1 January 2023:

- Disclosure of Accounting Policies (Amendments to IAS 1 Presentation of Financial Statements and IFRS Practice Statement 2);
- Definition of Accounting Estimates (Amendments to IAS 8 Accounting policies, Changes in Accounting Estimates and Errors); and
- Deferred Tax related to Assets and Liabilities arising from a Single Transaction (Amendments to IAS 12 Income Taxes)

Disclosure of Accounting Policies (Amendments to IAS 1 Presentation of Financial Statements and IFRS Practice Statement 2)

In February 2021, the IASB issued amendments to IAS 1 and IFRS Practice Statement 2 Making Materiality Judgements, providing guidance to help entities meet the accounting policy disclosure requirements. The amendments aim to make accounting policy disclosure more informative by replacing the requirement to disclose 'significant accounting policies' with 'material accounting policy information'. The amendments also provide guidance under what circumstance, the accounting policy information is likely to be considered material and therefore requiring disclosure.

These amendments had no effect on the interim condensed financial statements of the Company as they relate to disclosures of accounting policies in complete financial statements rather than interim financial statements. The amendments are expected to be applicable for the accounting policy disclosures in the annual financial statements of the Company.

Definition of Accounting Estimates (Amendments to IAS 8 Accounting policies, Changes in Accounting Estimates and Errors)

The amendment to IAS 8, which added the definition of accounting estimates, clarifies that the effects of a change in an input or measurement technique are changes in accounting estimates, unless resulting from the correction of prior period errors. These amendments clarify how entities make the distinction between changes in accounting estimate, changes in accounting policy and prior period errors.

These amendments had no effect on the interim condensed financial statements of the Company.

Deferred Tax related to Assets and Liabilities arising from a Single Transaction (Amendments to IAS 12 Income Taxes)

In May 2021, the IASB issued amendments to IAS 12, which clarify whether the initial recognition exemption applies to certain transactions that result in both an asset and a liability being recognized simultaneously (e.g. a lease in the scope of IFRS 16). The amendments introduce an additional criterion for the initial recognition exemption, whereby the exemption does not apply to the initial recognition of an asset or liability which at the time of the transaction, gives rise to equal taxable and deductible temporary differences.

These amendments had no effect on the interim condensed financial statements of the Company.

1.5 Functional and presentation currency

These condensed interim financial statements are presented in Pakistani Rupees which is the functional currency of the Company and figures are rounded off to the nearest thousand of rupees, except where stated otherwise.

2. ACCOUNTING POLICIES

The accounting policies and the methods of computation adopted in the preparation of these condensed interim financial statements are the same as those applied in the preparation of the financial statements for the year ended December 31, 2022.

3 ACCOUNTING ESTIMATES AND JUDGEMENTS

The preparation of these condensed interim financial statements, in conformity with accounting and reporting standards as applicable in Pakistan requires the use of certain critical accounting estimates. It also requires management to exercise its judgement in the process of applying the Company's accounting policies. Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectation of future events that are believed to be reasonable under the circumstances. Actual results may differ from the estimates.

During the preparation of these condensed interim financial statements, the significant judgements made by management in applying the Company's accounting policies and the key sources of estimation and assumptions are consistent with those that were applied to the annual audited financial statements of the Company for the year ended December 31, 2022.

ڈائریکٹرز کا جائزہ

ڈائریکٹرز 30 جون 2023 کو ختم ہو فوالے ششماہی مالی معلومات پیش کر پر خوش ہیں۔

قیمتوں کی وجہ سے کاروبار نے فروخت میں 44.6 فیصد اضافہ کیا۔ مسلسل ڈبل ڈجٹ مہنگائی کے نتیجے میں مقدار دباؤ میں رہی اور صارفین کی خریداری کی قوّت بھی اثر انداز ہوئی۔ البتہ فی حصص آمدنی میں گزشتہ سال کی اسی مدت کے مقابلے میں 55.2 فیصد اضافہ ہوا جو کہ قیمتوں کا تعین اور لاگت کی کارکردگی کے اقدامات کی بدولت مجموعی منافع میں بہتری کے ذریعے سے ممکن ہوا۔

مستقبل پر نظر

پاکستان کو معاشی اور کاروباری حالات میں مسلسل مشکلات کا سامنا ، حالیه آئی ام ا ف کے سٹینڈ بائی معاہدے سے کاروباری ماحول کو عارضی ریلیف فراہم ہوا البته ساختی مسائل سے نپٹناابھی باق ، مزید برآں، مستقل مہنگائی کا اثر صارفین کی قوّت خرید پر اثر انداز ہورہی ، جس کے نتیجے میں صارفین زیادہ محتاط اخراجات کی عادات اپنا رہے ہیں جس میں اختیاری اشیاء کی سستی اور کم درجه کی خریداری شامل ہیں۔

مندرجه بالا صورتحال کی روشنی میں، کمپنی کو صارفین کی طلب کے سلسلے میں مشکلات متوقع ہیں۔ تاہم انتظامیہ اپنے بینالاقوامی تجر ور صارفین کی ضروریات کی واضح سمجھ بوجھ، جدّت طرازی اورنیا پیک پرائس آرکیٹکچر کے ذریعے تمام اسٹیک ہولڈرز کے لیے طویل مدتی قدر پیدا کر ' کے لئے پر عزم ہیں۔ حالیہ اختراعات بشمول اسپائسی تکہ اور آئرن فورٹیفائیڈ نوڈلز ہماری اختراع کا ثبوت ہیں۔
