This drove excitement in the category resulting in organic growth on core variants. Knorr being the main sponsor of Master Chef program, gained top of mind awareness and drove usage of cubes in traditional meals.

Rafhan, has strong brand equity and a rich heritage. The brand grew on the back of the desserts portfolio. The advertising campaign for the year continued to leverage the birthday celebration platform which has proven to be popular amongst children.

Our People

At Unilever Pakistan Foods Limited, we believe that the way to grow as a business is to grow our people, enabling personal development and ambitious business results. This investment in our people is what sets us apart in the industry and drives us towards our goals with the right people on board. The Standards of Leadership (SOL) of the Company, i.e. a set of behaviors that are deemed vital to be a good leader, are ingrained strongly in our people and drive their remarkable performance year after year.

Unilever Pakistan Foods Limited is a learning organization where employees are continuously groomed to challenge themselves and make real time decisions. The Company leverages the global Unilever Network to develop talent in Marketing, Sales, Supply Chain, Finance and Human Resource Management through our E-learning programs. Personal development is facilitated through empowering people with bigger as well as challenging assignments, coaching, mentoring and a robust appraisal system.

Diversity is at the heart of our agenda. We encourage our employees to work from agile locations and offer flexi-work hours. In order to cater to the needs of the female employees, the Unilever Day Care Centre was started in 2003 and is now also used by male employees,

whose spouses work elsewhere. In 2014, we have also revised our maternity leave policy and extended it to 6 months fully paid. Simultaneously, we have also introduced a Maternity and Paternity support portal which employees are encouraged to utilize in order to manage their work-life balance when going through this crucial family planning stage.

We focus continually on encouraging vitality and work-life balance among the employees. The Company has taken several initiatives in this regard e.g. vitality health passport, gym facility and healthy eating options available at the workplace.

All our efforts are directed towards ensuring that our people remain committed and fulfilled, with the right opportunities to develop themselves and build a brighter future with us.

Corporate Social Responsibility (CSR)

Unilever Pakistan Foods Limited, a multi-local multinational believes that the highest standards of corporate behaviour are essential for sustainable growth. Our brands and functions work rigorously on the Unilever Sustainable Living Plan (USLP) which was launched in 2011 to achieve our ambitious sustainability targets under the pillars of improving health & well-being, reducing environmental impact and enhancing livelihoods.

Unilever Foundation is a key action our parent has taken to help meet the ambitious goal of helping more than one billion people improve their health and well-being and, in turn, create a sustainable future with our five global partners; Unicef, United Nations World Food Programme, Save the Children, Population Services International and Oxfam. Unilever Pakistan partners with both local and global partners in order to execute its sustainability agenda.

During 2014, our main initiatives included:

i. Energy Conservation:

The Company Head Office achieved the "WWF Green Office" certification in 2011 based on its sustainability initiatives through a structured program of measuring, monitoring and reducing energy, paper consumption and waste segregation.

Additionally a number of initiatives have been taken at the factories, depots and in transportation to conserve energy. Some of these are:

- Ambient temperature measurement and monitoring to effectively switch ON / OFF AC units, as per need and reduce idle time cooling.
- b. Replacement of tube lights with LED lights and energy savers.
- c. Replacement of motors with IE2 and IE3 energy efficient motors in all factories.
- d. Installation of Biomass boiler to reduce SOX and CO2 emission.

ii. Environmental Protection Measures:

Unilever Pakistan Foods Limited has been continually endeavoring to make "sustainable living a common place" through various initiatives across its value chain under the framework of Unilever Sustainability Living Plan. The Company is a certified "WWF Green Office" member based on its sustainability initiatives

through a structured program of measuring, monitoring and reducing energy, paper consumption, waste generation & CO_2 emission.

The key environmental protection initiatives include:

- Reduced travelling and using technological options such as video and teleconferencing & promoting group travel.
- Water metering and sensor taps to create a monitoring system and a culture of water reduction in the head office.
- c. Re-cycling treated water for watering factory green belts & wash rooms.
- d. Eliminating 100+ tons packaging material through structure optimisation & right sizing of packs.
- e. Using the 'right sized' vehicles for each route.

iii. Community Investment and Welfare Schemes: Rs. 25 million

- a. Knorr continued to work with school networks around the country engaging 350,000 children through specially designed sampling vans and trikes, giving children a healthier snacking option than traditional offerings.
- Knorr also reached an additional 300,000 people in rural Pakistan with the same proposition, continuing its efforts to build healthy eating habits in the youth.
- c. Unilever Food Solutions also conducted a Ramadan Campaign through which our customers earned Rs. 100 for every carton they purchased. At the end of the promotion, they had the option to either redeem the cash or opt to donate their entire / partial earnings to our partner UN World Food Programme towards feeding a child.

iv. Consumer Protection Measures:

The Company operates a complaints call centre called Raabta to receive consumer feedback. It is engaged in raising awareness of and addressing the growing menace of counterfeiting.

v. Occupational Safety and Health:

Unilever places Safety, Health and Environment (SHE) at the heart of its business agenda. The Company's management has been continually improving its management system & standards not only at the workplace but also through "Off-The-Job Safety" initiative to inculcate this consciousness amongst its employees round the clock.

Unilever's global SHE standards are the key building blocks of its system and the CSHEC regularly monitors the performance through leading and lagging indicators of all its Manufacturing and Non-Manufacturing Units.

On the way to continuous improvement, Unilever Pakistan Foods Limited moves a step forward by launching Contractors & Outsourcing Safety subcommittee. This subcommittee aims to ensure ZERO injury operation in UPFL's 3P/ outsourcing operations by defining appropriate systems & standards and implementing them through effective management of SHE practices.

Moreover, initiatives from "Beyond Work" subcommittee kept employees engaged on safety and security aspects, to cope up with heighted risks and develop safe working habits off the job also.

Unilever also conducts annual health check-ups for all employees to ensure that they are in perfect health. The Company provides employees with gym, swimming pool and table tennis facilities to encourage physical exercise.

vi. Business Ethics and Anti-Corruption Measures:

Unilever Pakistan Foods Limited holds frequent activities to ensure that the employees are working within the Code of Business Principles (CoBP). The CoBP is rigorously followed throughout the organization. Employees are also required to sign off compliance with the CoBP. There is a 24 hour call line and e-mail service to lodge complaints.

vii. Contribution to National Exchequer:

Unilever Pakistan Foods Limited contributed Rs. 1,888 million in 2014 (2013: Rs. 1,630 million) to the national exchequer by way of import duties, general sales tax, income tax and other government levies.

Employee Involvement

Community and environment support at Unilever Pakistan Foods Limited is extended through Company initiatives, for its people. Our employees contribute monetary, skill and volunteer support to various organizations through multiple activities and programmes held in the Company. Contributions through the ongoing Employee Payroll Programme were collected for the Aga Khan University Hospital, The Citizens Foundation and the UN World Food Programme. Employees also participated in fund raising activities within the organization to support mother and child health care with 'Save the Children', the UN World Food Programme's Fight Against Hunger Campaign during World Food Day and volunteered to teach children the importance of handwashing with soap at 'The Citizens Foundation' schools during the Global Handwashing Day. Employees also participated in a fun Family Day with their children at the office through activities aimed at teaching children the importance of recycling and healthy eating.

Acknowledgement

Our people are the key drivers behind the sustained growth of Unilever Pakistan Foods Limited. The directors acknowledge the contribution of each and every employee of the Company. We would also like to express our thanks to our customers for the trust shown in our products. We are also grateful to our shareholders for their support and confidence in our management.

Future Outlook

Superior consumer understanding, global R&D capability, strong brands, deep distribution reach, operational scale and the country's best talent are the ongoing basis of success. Aside from general business challenges, our industry is impacted by pure food rules and regulations on use of bio-degradable plastics. Following the 18th constitutional amendment, both these subjects have devolved to the provinces. Together with others we are advocating a pragmatic, effective and harmonised approach between the provinces that takes account of the concerns of all stakeholders.

Thanking you all.

On behalf of the Board

The independent director meets the criteria of independence under clause i (b) of the Code.

- The Directors have confirmed that none of them is serving as a director in more than seven listed companies, including this Company.
- All the resident Directors of the Company are registered as taxpayers and none of them has defaulted in payment of any loan to a banking company, a DFI or an NBFI or, being a member/broker of a stock exchange, has been declared as a defaulter by that stock exchange.
- No casual vacancy in the Board of Directors occurred during the year, after the election of Directors, held at last AGM.
- The Company has adopted a "Code of Conduct" and has ensured that appropriate steps have been taken to disseminate it throughout the Company along with its supporting policies and procedures.
- 6. The Company has a Vision Statement and overall corporate strategy. The Company, traditionally, maintains and follows policies designed to align with the Unilever group of companies and global best practices. The Board considers any significant amendments to the policies, as and when required.
- 7. All the powers of the Board have been duly exercised and decisions on material transactions, based on the significance of the matters involved, including appointment and determination of remuneration and terms and conditions of employment of the CEO and other Executive Directors and Non-Executive Directors, have been taken by the Board.
- 8. The meetings of the Board were presided over by the Chairman and in his absence, by a Director elected by the Board for this purpose and the Board met at least once in every quarter. Written notices of the Board meetings, along with agenda and working papers, were circulated at least 7 days before the meetings. The minutes of the meetings were appropriately recorded and circulated.
- The Directors have been provided with copies of the Listing Regulations of the Stock Exchanges; the Company's Memorandum and Articles of Association and the code of

- Corporate Governance and are well conversant with their duties and responsibilities. All the directors except one have completed Directors Training Program.
- The Directors' Report for this year has been prepared in compliance with the requirements of the Code and fully describes the salient matters required to be disclosed.
- The Financial Statements of the Company were duly endorsed by CEO and CFO before approval of the Board.
- The Directors, CEO and Executives do not hold any interest in the shares of the Company other than that disclosed in the pattern of shareholding.
- 13. The Company has complied with all the corporate and financial reporting requirements of the Code.
- 14. The Board had formed an Audit Committee comprising of three Non-Executive Directors. Subsequently, the Board has reconstituted the Audit Committee. Now it comprises of four Members; three Non-Executive Directors and one Independent Director.
- 15. The meetings of the Audit Committee were held at least once every quarter prior to approval of interim and final results of the Company and as required by the Code. The terms of reference of the Committee have been formed and advised to the Committee for compliance.
- 16. The Board has formed a Human Resource and Remuneration (HR&R) Committee. It comprises of three members, two of whom are Non-Executive Directors and the Chairman of the Committee is a Non-Executive Director.
- 17. The Internal Audit function of the Company is performed by Unilever Pakistan Limited (an associated Company) through shared service arrangements, which has employed suitably qualified and experienced audit staff for the purpose. The said audit staff are conversant with the policies and procedures of the Company and involved in the Internal Audit function on a full time basis. The Company has applied to obtain the concurrence of SECP on these arrangements.
- 18. The statutory auditors of the Company have confirmed that they have been given a satisfactory rating under the quality control review programme of the Institute of Chartered Accountants of Pakistan, that they or any of the partners of the firm, their spouses and minor children do not hold shares of the Company and that the firm and all its partners are in compliance with International Federation of Accountants (IFAC) guidelines on code of ethics as adopted by the Institute of Chartered Accountants of Pakistan.
- 19. The statutory auditors or the persons associated with them have not been appointed to provide other services except in accordance with the listing regulations and the auditors have confirmed that they have observed IFAC guidelines in this regard.
- The "closed period", prior to the announcement of interim and final results, and business decisions, which may materially affect the market price of Company's Securities, was determined and intimated to Directors, employees and Stock Exchanges.
- Material/price sensitive information has been disseminated among all market participants at once through Stock Exchanges.
- 22. The related party transactions have been placed before the Audit Committee and approved by the Board of Directors.
- We confirm that all material principles enshrined in the Code have been complied with except for any exception already disclosed hereinabove.

Auditors' Review Report

Review Report to the Members on the Statement of Compliance with Best Practices of Code of Corporate Governance

We have reviewed the enclosed Statement of Compliance with the best practices contained in the Code of Corporate Governance ("the Code") prepared by the Board of Directors of Unilever Pakistan Foods Limited ("the Company") for the year ended 31 December 2014 to comply with the requirements of Listing Regulations of Karachi and Lahore Stock Exchanges where the Company is listed.

The responsibility for compliance with the Code is that of the Board of Directors of the Company, Our responsibility is to review, to the extent where such compliance can be objectively verified, whether the Statement of Compliance reflects the status of the Company's compliance with the provisions of the Code and report if it does not and to highlight any non-compliance with the requirements of the Code. A review is limited primarily to inquiries of the Company's personnel and review of various documents prepared by the Company to comply with the Code.

As part of our audit of the financial statements we are required to obtain an understanding of the accounting and internal control systems sufficient to plan the audit and develop an effective audit approach. We are not required to consider whether the Board of Directors' statement on internal control covers all risks and controls or to form an opinion on the effectiveness of such internal controls, the Company's corporate governance procedures and risks.

The Code requires the Company to place before the Audit Committee, and upon recommendation of the Audit Committee, place before the Board of Directors for their review and approval its related party transactions distinguishing between transactions carried out on terms equivalent to those that prevail in arm's length transactions and transactions which are not executed at arm's length price and recording proper justification for using such alternate pricing mechanism. We are only required and have ensured compliance of this requirement to the extent of the approval of the related party transactions by the Board of Directors upon recommendation of the Audit Committee. We have not carried out any procedures to determine whether the related party transactions were undertaken at arm's length price or not.

Based on our review, nothing has come to our attention which causes us to believe that the Statement of Compliance does not appropriately reflect the Company's compliance, in all material respects, with the best practices contained in the Code as applicable to the Company for the year ended 31 December 2014.

Further, we highlight below instance of non-compliance with the requirement of the Code as reflected in the paragraph reference where it is stated in the Statement of Compliance:

Paragraph Description reference

17

The Internal Audit function of the Company is performed by Unilever Pakistan Limited (an associated Company) through shared service arrangements, which has employed suitably qualified and experienced audit staff for the purpose. The said audit staff are conversant with the policies and procedures of the Company and involved in the Internal Audit function on a full time basis. The Company has applied to obtain the concurrence of SECP on these arrangements.

The annexed notes 1 to 41 form an integral part of these financial statements.

Fariyha Subhani

Chief Executive

Ali Tariq

Director and Chief Financial Officer

Notes to and Forming Part of the Financial Statements

for the year ended December 31, 2014

1. THE COMPANY AND ITS OPERATIONS

The Company is a limited liability company incorporated in Pakistan and is listed on the Karachi and Lahore Stock Exchanges. It manufactures and sells consumer and commercial food products under brand names of Rafhan, Knorr, Energile, Glaxose-D and Food solutions. The registered office of the Company is situated at Avari Plaza, Fatima Jinnah Road, Karachi.

The Company is a subsidiary of Conopco Inc. USA, whereas its ultimate parent Company is Unilever N.V. Holland.

2. BASIS OF PREPARATION

2.1 Statement of compliance

These financial statements have been prepared in accordance with approved accounting standards as applicable in Pakistan. Approved accounting standards comprise of such International Financial Reporting Standards (IFRS) issued by the International Accounting Standards Board and Islamic Financial Accounting Standards (IFAS) issued by the Institute of Chartered Accountants of Pakistan as are notified under the Companies Ordinance, 1984, provisions of and directives issued under the Companies Ordinance, 1984. In case requirements differ, the provisions or directives of the Companies Ordinance, 1984 shall prevail.

2.2 Changes in accounting standards, interpretations and pronouncements

a) Standards, interpretations and amendments to published approved accounting standards which became effective during the year but are not relevant to the Company

The following new or amended standards and interpretations became effective during the year which are considered not to be relevant to the Company's financial statements:

- Offsetting Financial Assets and Financial Liabilities (Amendments to IAS 32).
- Recoverable Amount Disclosures for Non-Financial Assets (Amendments to IAS 36).
- Novation of Derivatives and Continuation of Hedge Accounting (Amendments to IAS 39).
- IFRIC 21 Levies.

b) Standards, interpretations and amendments to published approved accounting standards that are not yet effective

There are no new standards, amendments to existing approved accounting standards and new interpretations that are not yet effective that would be expected to have a material impact on the financial statements of the Company.

2.3 Measurement basis

These financial statements have been prepared under the historical cost convention except as disclosed in the accounting policy notes.

3. SIGNIFICANT ACCOUNTING POLICIES

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented.

3.1 Property, plant and equipment

Property, plant and equipment is stated at cost less accumulated depreciation and accumulated impairment losses except capital work in progress which is stated at cost. Depreciation is calculated using the straight-line method to charge off their cost excluding residual value, if not insignificant, over their estimated useful lives. Depreciation on additions is charged from the month in which asset is available for use and on disposals upto the month of deletion.

The Company accounts for impairment, where indication exists, by reducing assets' carrying value to the assessed recoverable amount.

The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at each balance sheet date.

Maintenance and normal repairs are charged to income as and when incurred. Individual assets costing up to Rs. 10,000 are charged to income. Major renewals and improvements are capitalised only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably.

Gains and losses on disposal of property, plant and equipment are recognised in the profit and loss account.

3.2 Intangible assets

Intangible assets having indefinite useful life are stated at cost less accumulated amortisation and impairment, if any. Carrying amounts of intangibles are subject to impairment review at each balance sheet date and where conditions exist, impairment is recognised. The determination of recoverable amount is based on value-in-use calculations that require use of judgement to determine net cash flows arising from continuing use and applicable discount rate.

The useful lives of intangible assets are reviewed at each balance sheet date to determine whether events and circumstances continue to support an indefinite useful life assessment for the asset.

3.3 Taxation

Income tax expense comprises current and deferred tax. Income tax expense is recognised in the profit and loss account, except to the extent that it relates to items recognised in other comprehensive income or directly in equity in which case it is recognised in other comprehensive income or directly in equity.

3.3.1 Current

Provision for the current taxation is based on taxability of certain income streams of the Company under presumptive tax regime at the applicable tax rates and remaining income streams chargeable at current rate of taxation under the normal tax regime, after taking into account tax credits and tax rebates available, if any.

3.3.2 Deferred

Deferred tax is recognised using the balance sheet method, providing for temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the amounts used for taxation purposes. Deferred tax is not recognised on the initial recognition of assets or liabilities in a transaction that is not a business combination and that affects neither accounting nor taxable profit at the time of the transaction. Deferred tax is measured at the tax rates that are expected to be applied to the temporary differences when they reverse, based on the laws that have been enacted or substantively enacted by the reporting date.

A deferred tax asset is recognised to the extent that it is probable that future taxable profits will be available against which temporary differences can be utilised. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realised.

3.4 Staff retirement benefits

The Company operates various post-employment schemes, including both defined benefit and defined contribution plans.

3.4.1 Defined contribution plans

A defined contribution plan is a plan under which the Company pays fixed contributions into a separate entity. The Company has no legal or constructive obligations to pay further contributions if the fund does not hold sufficient assets to pay all employees the benefits relating to employee service in the current and prior periods. The contributions are recognised as employee benefit expense when they are due. Prepaid contributions are recognised as an asset to the extent that a cash refund or a reduction in the future payments is available.

i) Provident Fund

The Company operates an approved contributory provident fund for all employees. Equal monthly contributions are made, both by the Company and the employees, to the fund at the rate of 6% per annum of the base salary and 10% of basic salary plus cost of living allowance in respect of management employees and unionised staff respectively.

ii) DC Pension Fund

The Company has established a defined contribution plan - DC Pension Fund for the following management employees:

- a) permanent employees who joined on or after April 1, 2012; and
- b) permanent employees who joined on or before March 31, 2012 and opted for DC Pension plan in lieu of future benefits under the existing pension and management gratuity.

Contributions are made by the Company to the plan at the rate of 9% per annum of the base salary.

3.4.2 Defined benefit plans

Defined benefit plans define an amount of pension or gratuity that an employee will receive on or after retirement, usually dependent on one or more factors such as age, years of service and compensation. A defined benefit plan is a plan that is not a defined contribution plan. The liability recognised in the balance sheet in respect of defined benefit pension plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by independent actuary using the projected unit credit method. When the calculation results in a potential asset for the Company, the recognised asset is limited to the present value of economic benefits available in the form of any future refunds from the plan or reductions in future contributions to the plan.

The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows using interest rates of high-quality corporate bonds or the market rates on government bond. These are denominated in the currency in which the benefits will be paid, and that have terms to maturity approximating to the terms of the related pension obligation.

The Company operates the following schemes:

- Funded pension scheme for management employees of the Company. Contributions are made on the basis of the actuarial valuation. The latest actuarial valuation was carried out as at December 31, 2014, using the 'Projected Unit Credit Method'.
- ii) Funded gratuity scheme for management and non-management employees of the Company.

 Contributions are made on the basis of the actuarial valuation. The latest actuarial valuation was carried out as at December 31, 2014, using the 'Projected Unit Credit Method'.

The amount arising as a result of remeasurements are recognised in the Balance Sheet immediately, with a charge or credit to Other Comprehensive Income in the periods in which they occur.

Past-service costs are recognised immediately in income.

The Company also provides long term service awards for staff completing specified years of service.

3.5 Stores and spares

These are valued at average cost less impairment loss except for items in transit which are stated at invoice value plus other charges incurred thereon till the balance sheet date. Cost comprises invoice value and other direct costs but excludes borrowing costs. Provision is made for obsolete / slow moving items where necessary and is recognised in the profit and loss account.

3.6 Stock in trade

Stock in trade is valued at the lower of cost and net realisable value. Cost is determined using the weighted average method except for those in transit where it represents invoice value and other charges paid thereon. Cost of work in process and finished goods include cost of raw and packing materials, direct labour and related production overheads. Net realisable value is the estimated selling price in the

ordinary course of business less cost necessary to be incurred in order to make the sale. Provision is made for obsolete / slow moving stocks where necessary and recognised in the profit and loss account.

3.7 Trade and other receivables

Trade and other receivables are initially recognised at fair value of consideration receivable. Debts considered irrecoverable are written off and provision is made against those considered doubtful of recovery.

3.8 Cash and cash equivalents

For the purposes of the cash flow statement, cash and cash equivalents comprise cash in hand, with banks on current and savings accounts and short term running finance.

3.9 Impairment

3.9.1 Financial assets

A financial asset is assessed at each reporting date to determine whether there is any objective evidence that it is impaired. A financial asset is considered to be impaired if objective evidence indicates that one or more events have had a negative effect on the estimated future cash flows of that asset.

The Company considers evidence of impairment for receivable and other financial assets at specific asset levels. Losses are recognised as an expense in the profit and loss account. When a subsequent event causes the amount of impairment loss to decrease, this reduction is reversed through the profit and loss account.

3.9.2 Non-financial assets

The carrying amounts of non-financial assets, are assessed at each reporting date to ascertain whether there is any indication of impairment. If any such indication exists, then the asset's recoverable amount is estimated. An impairment loss is recognised as an expense in the profit and loss account for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less cost to sell and value in use. Value in use is ascertained through discounting of the estimated future cash flows using a discount rate that reflects current market assessment of the time value of money and the risk specific to the assets. For the purpose of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash flows (cash-generating units).

An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount. An impairment loss is reversed only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortisation, if no impairment loss had been recognised. Prior impairments of non-financial assets (other than goodwill) are reviewed for possible reversal at each reporting date.

3.10 Ijarah

Ujrah payments made under Ijarah contracts are charged to the profit and loss account on a straight-line basis over the Ijarah term.

3.11 Trade and other payables

Liabilities for trade and other amounts payable are carried at cost which is the fair value of the consideration to be paid in future for goods and services.

3.12 Borrowings and their cost

Borrowings are recorded initially at fair value, net of transaction cost incurred.

Borrowing costs are recognised as an expense in the period in which these are incurred except to the extent of borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset. Such borrowing costs, if any, are capitalised as part of the cost of that qualifying asset.

3.13 Provisions

Provisions, if any, are recognised when the Company has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and a reliable estimate of the amount can be made.

Restructuring cost provisions comprise staff redundancy payments, relocation and dismantling of factory and are recognised in the period in which the Company becomes legally or constructively committed to incur.

3.14 Financial assets and liabilities

All financial assets and liabilities are initially measured at cost, which is the fair value of the consideration given and received respectively. The financial assets and liabilities are subsequently measured at fair value, amortised cost or cost, as the case may be.

3.15 Earnings per share

The Company presents earnings per share (EPS) data for its ordinary shares. EPS is calculated by dividing the profit or loss attributable to ordinary shareholders of the Company by the weighted average number of ordinary shares outstanding during the period.

3.16 Foreign currency transactions and translation

Transactions denominated in foreign currencies are translated to Pakistan Rupees at the exchange rate ruling at the date of transaction.

Monetary assets and liabilities in foreign currencies at balance sheet date are translated into Pakistan Rupees at exchange rates ruling on that date. Foreign exchange gains and losses resulting from the

settlement of such transactions and from the translation at year-end exchange rates of monetary assets and liabilities denominated in foreign currencies are recognised in the profit and loss account.

3.17 Functional and presentation currency

These financial statements are presented in Pakistan Rupees which is the functional currency of the Company and figures are rounded off to the nearest thousands of Rupees.

3.18 Revenue recognition

Revenue is recognised to the extent it is probable that the economic benefits will flow to the Company and the revenue can be measured reliably. Revenue is measured at the fair value of the consideration received or receivable, and is recognised on the following basis:

- sale of goods is recognised when significant risks and rewards are transferred.
- return on savings accounts and deposit accounts is recognised on time proportion basis, taking effect of the effective interest rate.

3.19 Dividend

Dividend distribution to the Company's shareholders is recognised as a liability in the period in which the dividend is approved.

3.20 Offsetting

Monetary assets and liabilities are offset and the net amount is reported in the financial statements only when there is a legally enforceable right to set-off the recognised amounts and the Company intends either to settle on a net basis, or to realise the assets and to settle the liabilities simultaneously.

4. CRITICAL ACCOUNTING ESTIMATES AND JUDGEMENTS

The preparation of financial statements in conformity with the approved accounting standards requires the use of certain critical accounting estimates. It also requires management to exercise its judgement in the process of applying the Company's accounting policies. The areas involving a higher degree of judgement or complexity, or areas where assumptions and estimates are significant to the financial statements are disclosed below.

Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

4.1 The Company makes estimates and assumptions concerning the future. The resulting accounting estimates will, by definition, seldom equal the related actual results. The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are addressed below:

4.1.1 Income taxes

In making the estimates for income taxes, the Company takes into account the current income tax law and decisions taken by appellate authorities on certain issues in the past. There may be various matters where the Company's view differs with the view taken by the income tax department at the assessment stage and where the Company considers that its view on items of a material nature is in accordance with the law. The difference between the potential and actual tax charge, if any, is disclosed as a contingent liability.

4.1.2 Defined benefit plans

The Company has adopted certain actuarial assumptions as disclosed in note 17 to the financial statements for valuation of present value of defined benefit obligations and fair value of plan assets, based on actuarial advice.

4.1.3 Provisions

Provisions are considered, among others, for legal matters, disputed indirect taxes, employee termination cost and restructuring where a legal or constructive obligation exists at the balance sheet date and reliable estimate can be made of the likely outcome. The nature of these costs is such that judgement is involved in estimating the timing and amount of cash flows.

Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

4.2 No critical judgement has been used in applying accounting policies.

17. STAFF RETIREMENT BENEFITS

- 17.1 As stated in note 3.4, the Company operates two retirement benefit plans (The Plans) namely approved funded defined benefit gratuity scheme for all management and non-management employees and approved funded defined benefit pension scheme for all management employees subject to minimum service of prescribed period in the respective trust deed. Actuarial valuation of these plans is carried out every year and the latest actuarial valuation was carried out as at December 31, 2014.
- 17.2 Plan assets held in trust are governed by local regulations which mainly includes Trust Act, 1882, Companies Ordinance, 1984, Income Tax Rules, 2002 and Rules under the Trust deed of the Plans. Responsibility for governance of the Plans, including investment decisions and contribution schedules, lies with the Board of Trustees. The Company appoints the trustees and all trustees are employees of the Company.
- 17.3 The latest actuarial valuation of the Fund as at December 31, 2014 was carried out using the 'Projected Unit Credit Method'. Details of the Fund as per the actuarial valuation are as follows:

	Future pension increases	1.00%	1.00%	0.00%	0.00%

- 17.12 Mortality was assumed to be 70% of the EFU (61-66) Table.
- In case of the funded plans, the Company ensures that the investment positions are managed within an asset-liability matching (ALM) framework that has been developed to achieve long-term investments that are in line with the obligations under the Retirement benefit plan. Within this framework, the Company's ALM objective is to match assets to the retirement benefit obligations by investing in long-term fixed interest securities with maturities that match the benefit payments as they fall due and in the appropriate currency. The Company actively monitors how the duration and the expected yield of the investments are matching the expected cash outflows arising from the Retirement benefit plan obligations. The Company has not changed the processes used to manage its risks from previous periods. The Company does not use derivatives to manage its risk. Investments are well diversified, such that the failure of any single investment would not have a material impact on the overall level of assets. A large portion of assets in 2014 consists of government bonds and term deposits. The Company believes that government bonds offer the best returns over the long term with an acceptable level of risk.
- 17.14 The expected return on plan assets was determined by considering the expected returns available on the assets underlying the current investment policy. Expected yields on fixed interest investments are based on gross redemption yields as at the balance sheet date.

The Company's contribution to the pension funds in 2015 is expected to amount to Rs 2.0 million.

The actuary conducts separate valuations for calculating contribution rates and the Company contributes to the pension and gratuity funds according to the actuary's advice. Expense of the defined benefit plan is calculated by the actuary.

Figures in this note are based on the latest actuarial valuation carried out as at December 31, 2014.

17.15 Sensitivity analysis for actuarial assumptions

The sensitivity of the defined benefit obligation to changes in the weighted principal assumptions is:

	Impact on defined benefit obligation		
	Change in assumption (Percentage)	Increase in Decrease i assumption (Rupees in thousand)	
Discount rate at December 31	1.00	(2,010)	2,369
Future salary increases	1.00	2,404	(2,071)

There is no significant change in the obligation if life expectancy increases by 1 year.

The sensitivity analysis are based on a change in an assumption while holding all other assumptions constant. In practice, this is unlikely to occur, and changes in some of the assumptions may be correlated. When calculating the sensitivity of the defined benefit obligation to significant actuarial assumptions the same method (present value of the defined benefit obligation calculated with the projected unit credit method at the end of the reporting period) has been applied as and when calculating the pension liability recognised within the balance sheet.

The methods and types of assumptions used in preparing the sensitivity analysis did not change compared to the previous period.

37. FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

37.1 Financial risk factors

The Company's activities expose it to variety of financial risks: market risk (including currency risk and interest rate risk), credit risk and liquidity risk. The Company's overall risk management programme focuses on having cost effective funding as well as manage financial risk to minimise earnings volatility and provide maximum return to shareholders.

The carrying values of all financial assets and liabilities reflected in the financial statements approximate their fair values.

(i) Credit risk

Credit risk represents the accounting loss that would be recognised at the reporting date if counter parties failed completely to perform as contracted. The maximum exposure to credit risk is equal to the carrying amount of financial assets. Out of total financial assets of Rs. 430.86 million (2013: Rs. 515.21 million), the financial assets which are subject to credit risk amounted to Rs. 204.4 million (2013: Rs. 182.8 million).

For trade debts, internal risk assessment process determines the credit quality of the customers, taking into account their financial positions, past experiences and other factors. Individual risk limits are set based on internal or external credit worthiness ratings in accordance with limits set by the management. As of December 31, 2014, trade debts of Rs. 38 million (2013: Rs. 31 million) were past due but not impaired. The carrying amount of trade debts relates to a number of independent customers for whom there is no recent history of default.

Deposits have been placed mainly against shipping guarantees and letters of credit, hence exposed to no significant credit risk.

Loans and advances to employees are not exposed to any material credit risk since these are secured against their retirement benefits.

Other receivables constitute mainly receivables from the related parties, therefore, are not exposed to any significant credit risk.

The bank balances represent low credit risk as they are placed with banks having good credit ratings assigned by credit rating agencies.

The management does not expect any losses from non-performance by these counterparties.

Management believes that it is not exposed to significant credit risk.

(ii) Liquidity risk

Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they fall due. The Company's approach to managing liquidity risk is to ensure, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation.

(iii) Market risk

Market risk is the risk that changes in foreign exchange rate, interest rates will affect Company's income or value of its holding in financial instruments. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimizing returns.

a) Foreign exchange risk

Foreign exchange risk arises mainly where receivables and payables exist in foreign currency. As at December 31, 2014, financial assets of Rs. 101.35 million (2013: Rs. 2.32 million) and financial liabilities of Rs. 186.99 million (2013: Rs. 178.21 million) were in foreign currency which were exposed to foreign currency risk.

As at December 31, 2014, if the Pakistan Rupee had weakened / strengthened by 5% against Euro with all other variables held constant, profit before tax for the year would have been lower / higher by Rs. 0.36 million (2013: Rs. 4.32 million), mainly as a result of foreign exchange losses / gains on translation of Euro denominated financial assets and liabilities.

The foreign curreny assets are approximately 80.5% in USD and 19.5% in EURO. The foreign curreny liabilities are approx 85.6% in USD and 14.4% in EURO.

As at December 31, 2014, if the Pakistan Rupee had weakened / strengthened by 5% against US Dollar with all other variables held constant, profit before tax for the year would have been lower / higher by Rs. 3.92 million (2013: Rs. 5.92 million), mainly as a result of foreign exchange losses / gains on translation of US Dollar denominated financial assets and liabilities.

The sensitivity of foreign exchange rate looks at the outstanding foreign exchange balances of the Company only as at the balance sheet date and assumes this is the position for a full twelve-month period.

b) Interest rate risk

The Company's interest rate risk arises from borrowings as the Company has no significant interest-bearing assets. Borrowings availed at variable rates expose the Company to cash flow interest rate risk.

At December 31, 2014, the Company had variable interest bearing financial assets of Rs. 88.71 million (2013: Rs. 276.02 million) and financial liabilities of Rs 185.28 million (2013: Rs. 92.07 million), and had the interest rate varied by 200 basis points with all the other variables held constant, profit before tax for the year would have been approximately Rs. 1.93 million (2013: Rs. 2.11 million) lower / higher, mainly as a result of higher / lower interest expense on floating rate borrowings.

38. CAPITAL RISK MANAGEMENT

The Company's objectives when managing capital are to safeguard the Company's ability to continue as a going concern in order to provide returns for shareholders and benefit for other stakeholders and to maintain an optimal capital structure to reduce the cost of capital.

The gearing ratios as at December 31, 2014 and 2013 were as follows:

- 2. All Members / Shareholders are entitled to attend and vote at the meeting. A Member may appoint a proxy who need not be a Member of the Company.
- 3. Duly completed instrument of proxy, and the other authority under which it is signed, or a notarially certified copy thereof, must be lodged with the Company Secretary at the Company's Registered Office (1st Floor, Avari Plaza, Fatima Jinnah Road, Karachi) at least 48 hours before the time of the meeting.
- 4. CDC Account Holders will further have to follow the under-mentioned guidelines as laid down by the Securities and Exchange Commission of Pakistan:

A. For Attending the Meeting:

i. In case of individuals, the account holder or sub-account holder and / or the person whose securities are in group account and their registration details are uploaded as per the Regulations, shall authenticate his / her identity by showing his / her original valid Computerised National Identity Card (CNIC) or original passport at the time of attending the meeting.

Notice of Annual General Meeting

ii. In case of corporate entity, the Board of Directors' resolution/power of attorney with specimen signature of the nominee shall be produced (unless it has been provided earlier) at the time of the meeting.

B. For Appointing Proxies:

- i. In case of individuals, the account holder or sub-account holder and/or the person whose securities are in group account and their registration details are uploaded as per the Regulations, shall submit the proxy form accordingly.
- ii. The proxy form shall be witnessed by two persons whose names, addresses and CNIC numbers shall be mentioned on the form.
- iii. Attested copies of valid CNIC or the passport of the beneficial owners and the proxy shall be furnished with the proxy form.
- iv. The proxy shall produce his / her original valid CNIC or original passport at the time of meeting.
- v. In case of corporate entity, the Board of Directors' resolution / power of attorney with specimen signature of the person nominated to represent and vote on behalf of the corporate entity, shall be submitted along with proxy form to the Company.
- 5. The Individual Members who have not yet submitted photocopy of their valid Computerized National Identity Card (CNIC) to the Company / Share Registrar, are once again reminded to send the same at the earliest directly to Company's Share Registrar, M/s Central Depository Company of Pakistan Limited, Share Registrar Department, CDC House, 99-B, Block "B", S.M.C.H.S., Main Shahra-e-Faisal, Karachi-74400. The Corporate Entities are requested to provide their National Tax Number (NTN). Please give Folio Number with the copy of CNIC / NTN details. The Shareholders who hold shares with Participants / Stock Brokers or with Central Depository Company may approach to provide the CNIC number / NTN details to their Participants / Stock Broker or to CDC to update the details in their electronic system. Reference is also made to the Securities and Exchange Commission of Pakistan (SECP) Notifications SRO 779 (I) dated August 18, 2011, and SRO 831 (I) 2012 dated July 05, 2012, which mandates that the dividend warrants should bear CNIC number of the registered member or the authorized person, except in case of minor(s) and corporate members. In case of non-receipt of the copy of a valid CNIC, the Company would be unable to comply with the said SROs of SECP and therefore will be constrained under Section 251 (2) (a) of the Companies Ordinance 1984 to withhold dividend warrants of such Shareholders.
- 6. (i) The Government of Pakistan through Finance Act, 2014 has made certain amendments in Section 150 of the Income Tax Ordinance 2001 whereby different rates are prescribed for deduction of withholding tax on the amount of dividend paid by the Companies. These rates are as under:
 - (a) For Filers of Income Tax Return 10%
 - (b) For Non-Filers of Income Tax Return 15%

To enable the Company to make tax deduction on the amount of cash dividend @ 10% instead of 15%, applicable from time to time, all the shareholders whose names are not entered into the Active Taxpayers List (ATL) provided on the website of FBR, despite the fact that they are filers, are advised to make sure that their names are entered into ATL, otherwise tax on their cash dividend as announced from time to time, will be deducted @ 15% instead of 10%.

Notice of Annual General Meeting

- (ii) For any query/problem/information, the investor may contact the Share Registrar: The Manager, Share Registrar Department, Central Depository Company of Pakistan Limited, telephone number: 0800 23275 (Toll Free), e-mail address: info@cdcpak.com and /or the Company: Ms. Wajiha Khan, telephone number: +92- 21-35660062 e-mail address: wajiha.khan@unilever.com.
- (iii) The corporate shareholders having CDC accounts are required to have their National Tax Number (NTN) updated with their respective participants, whereas corporate physical shareholder should send a copy of their NTN certificate to the company or its Share Registrar, M/s Central Depository Company of Pakistan Limited, Share Registrar Department. The Shareholders while sending NTN or NTN certificates, as the case may be, must quote Company name and their respective folio numbers.

According to clarification received from Federal Board of Revenue (FBR), withholding tax will be determined separately on 'Filer/Non-Filer' status of Principal Shareholder as well as Joint-Holder(s) based on their shareholding proportions, in case of joint holding / joint account. In this regard, all shareholders who hold shares with joint shareholders, are requested to provide shareholding proportions of Principal Shareholder and Joint-Holder(s) in respect of shares held by them, to our Share Registrar, M/s Central Depository Company of Pakistan Limited, Share Registrar Department, CDC House, 99-B, Block "B", S.M.C.H.S., Main Shahra-e-Faisal, Karachi-74400, in writing, otherwise it will be assumed that the shares are equally held by Principal Shareholder and Joint –Holder(s).

- 7. According to the SECP circular No. 8(4) SM/CDC 2008 of April 05, 2013, shareholders are entitled to receive their cash dividend directly in their bank accounts instead of receiving the dividend warrants physically. Shareholders having physical holding and desiring to avail this option may submit the prescribed Dividend Mandate Form, to the Company's Share Registrar. The shareholders who hold shares with participants / stock brokers or with Central Depository Company may approach to submit the prescribed Dividend Mandate details to their participants / stock broker or to CDC for this option, with a copy of the Dividend Mandate Form to Share Registrar of the Company.
- 8. Any change of address of Members should be immediately notified to the Company's Share Registrars, M/s Central Depository Company of Pakistan Limited, Share Registrar Department, CDC House, 99-B, Block "B", S.M.C.H.S., Main Shahra-e-Faisal, Karachi-74400.
