Directors' Review

The directors are pleased to present the financial information for the six months ended June 30, 2021.

Sales grew by 24.9% on the back of strong fundamentals i.e brand equity, wider reach and effective spending on advertisement and promotion. The growth was broad based with both Retail business and Food Solutions delivering strong results as a result of easing lockdowns. Gross Margin increased by 1.34% to 43.76% versus same period last year, through a combination of pricing, better cost absorption and a rigorous savings agenda. Earnings per share (EPS) increased by 40.3% versus the same period last year driven by growth, margin improvement and tax credits pertaining to capital expenditure.

Future Outlook

Pakistan's economy has shown resilience in the face of global COVID -19 pandemic, witnessing GDP growth of 3.94% in fiscal year 2021 as a result of timely monetary and fiscal measures. The environment, however, remains volatile in the wake of ongoing fourth wave of COVID -19. In addition, high inflation continues to remain a challenge, further aggravated by rising global commodity prices.

Despite a tough economic and operating environment, the management remains committed to navigate the situation by leveraging its access to Unilever's global expertise, honing the understanding of its consumers, on-going innovation endeavours and by consistently offering an exemplary customer service. The launch of Hellman's mayonnaise is yet another manifestation of company's focus towards innovation and consumers. We are confident that our dedicated and focussed efforts will enable us to meet the ever-evolving needs of our consumers and in delivering a sustained profitable growth benefitting all stakeholders.

Thanking you all.

On behalf of the Board

INDEPENDENT AUDITOR'S REVIEW REPORT

To the members of Unilever Pakistan Foods Limited Report on review of Interim Financial Statements

Introduction

We have reviewed the accompanying condensed interim statement of financial position of Unilever Pakistan Foods Limited as at June 30, 2021 and the related condensed interim statement of profit or loss account and other comprehensive income, condensed interim statement of changes in equity, and condensed interim statement of cash flows, and notes to the condensed interim financial statements for the six-months period then ended (here-in-after referred to as the "interim financial statements"). Management is responsible for the preparation and presentation of these interim financial statements in accordance with accounting and reporting standards as applicable in Pakistan for interim financial reporting. Our responsibility is to express a conclusion on these interim financial statements based on our review.

Scope of Review

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of interim financial statements consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim financial statements are not prepared, in all material respects, in accordance with the accounting and reporting standards as applicable in Pakistan for interim financial reporting.

Other matter

The figures of condensed interim statement of profit or loss account and other comprehensive income for the three months period ended 30 June 2021 and 30 June 2020 in the interim financial statements have not been reviewed and we do not express a conclusion on them.

The engagement partner on the review resulting in this independent auditor's review report is **Moneeza Usman Butt.**

Chief Executive Director Director & Chief Financial Officer

NOTES TO AND FORMING PART OF THE CONDENSED INTERIM FINANCIAL STATEMENTS (UN-AUDITED) FOR THE SIX MONTHS PERIOD ENDED JUNE 30, 2021

1. BASIS OF PREPARATION

1.1 Statement of Compliance

akistan Foods These condensed interim financial statements of nilever imited the for the si months ended June 30, 2021 have been prepared in accordance with the accounting and reporting standards as applicable in akistan for interim financial reporting. The accounting and reporting standards as applicable in akistan for interim financial reporting comprise of International Accounting Standard IAS 34, Interim Financial eporting, issued by the International Accounting Standards oard IAS as notified under the Companies Act, 2017 and provisions of and directives issued under the Companies Act, 2017. here the provisions of and directives issued under the Companies Act, 2017 differ with the re uirements of IAS 34. the provisions of and directives issued under the Companies Act, 2017 have been followed.

1.2 These condensed interim financial statements do not include all the information and disclosures re uired in the annual financial statements, and should be read in con unction with the financial statements of the Company for the year ended December 31, 2020. owever, selected e planatory notes are included to e plain events and transactions that are significant to understanding of changes in Company s financial position and performance since the last financial statements.

1.3 Basis of Measurement

These condensed interim financial statements have been prepared under the historical cost convention e cept as disclosed elsewhere.

1.4 Functional and Presentation Currency

These condensed interim financial statements are presented in akistani upees which is the functional currency of the Company and figures are rounded off to the nearest thousand of upees.

1.5 COVID-19

A novel strain of coronavirus CO ID-1 first surfaced in China and due to the nature of its virality, it uickly found its way to other countries due to which the orld ealth Organi ation classified it as a pandemic on the 11th of arch in 2020. easures have been taken to contain the spread of the virus including travel bans, uarantines, social distancing and closure of nonessential services and factories, hence triggering disruptions in businesses and allowing for a slowdown in the economy worldwide. After a gruesome few months of strict lockdown in akistan, the lockdown has been eased, after critical assessment of active cases, since the second uarter of 2021. Offices, restaurants, recreational areas academic institutions have reopened with strict safety protective quidelines for the public to follow including social distancing, mandatory face masks and saniti ation protocols. The beginning of 2021 has restored hope with the introduction of vaccine drives coupled with the necessary protection measures being followed since the past year which have led to avoidance of lockdowns. After observing the demand from the Company s customers, the availability of imports and the support by the Government, the management, upon assessment, believes that CO ID-1 has not had a significant impact on the Company.

2. ACCOUNTING POLICIES

The accounting policies and the methods of computation adopted in the preparation of these condensed interim financial statements are the same as those applied in the preparation of the financial statements for the year ended December 31, 2020 other than that disclosed below.

2.1 Government grants

Government grants are transfers of resources to an entity by a government entity in return for compliance with certain past or future conditions related to the entity s operating activities - e.g. a government subsidy. The definition of government refers to governments, government agencies and similar bodies, whether local, national or international.

NOTES TO AND FORMING PART OF THE CONDENSED INTERIM FINANCIAL STATEMENTS (UN-AUDITED) FOR THE SIX MONTHS PERIOD ENDED JUNE 30, 2021

The Company recogni es government grants when there is reasonable assurance that grants will be received and the Company will be able to comply with conditions associated with grants.

Government grants are recogni ed at fair value, as deferred income, when there is reasonable assurance that the grants will be received and the Company will be able to comply with the conditions associated with the grants.

Grants that compensate the Company for e penses incurred, are recogni ed on a systematic basis in the income for the year in which the related e penses are recogni ed. Grants that compensate for the cost of an asset are recogni ed in income on a systematic basis over the e pected useful life of the related asset.

A loan is initially recogni ed and subse uently measured in accordance with IF S . IF S re uires loans at below-market rates to be initially measured at their fair value - e.g. the present value of the e pected future cash flows discounted at a market-related interest rate. The benefit that is the government grant is measured as the difference between the fair value of the loan on initial recognition and the amount received, which is accounted for according to the nature of the grant.

3 ACCOUNTING ESTIMATES, JUDGEMENTS AND FINANCIAL RISK MANAGEMENT

The accounting policies and the methods of computation adopted in the preparation of these condensed interim financial statements are the same as those applied in the preparation of the annual audited financial statements for the year ended December 31. 2020.

The preparation of these condensed interim financial statements, in conformity with accounting and reporting standards as applicable in akistan re uires the use of certain critical accounting estimates. It also re uires management to e ercise its udgement in the process of applying the Company s accounting policies. stimates and udgements are continually evaluated and are based on historical e perience and other factors, including e pectation of future events that are believed to be reasonable under the circumstances. Actual results may differ from the estimates. During the preparation of these condensed interim financial statements, the significant udgements made by management in applying the Company s accounting policies and the key sources of estimation and assumptions are consistent with those that were applied to the annual audited financial statements of the Company for the year ended December 31, 2020.

The Company s financial risk management ob ectives and policies are consistent with those disclosed in the annual audited financial statements for the year ended December 31, 2020.

- 5.1 During the year 2020, the Company entered into a long term borrowing arrangement with a commercial bank for installation of solar panels under State ank of akistan s efinancing Scheme for enewable energy. The total facility is available for twelve years ending in 2032 and amounts to s. 14 million. The loan carries mark-up at the rate of 3.65 per annum.
- 5.2 During the period, the Company has also entered into a long term borrowing arrangement with commercial banks under State ank of akistan's Temporary conomic efinance Facility amounting to s. 00 million. This loan carries a concessional mark-up rate of 2.3 and is repayable in 32 uarterly installments with a 2 year grace period commencing from first disbursement.

The scheme ualifies for the recognition criteria of a Government Grant as per IAS 20Accounting for Government Grants and Disclosure of Government Assistance. As a result, the liability has been broken down into two components.

First one being recognition of a financial liability in accordance with IF S Financial Instruments which has been measured at Fair alue, that is, present value of future cashflows at the prevailing market rate amounting to s. 56.74 million.

Second component is the recognition of deferred income as a long term liability amounting to s. 23.22 million. This is the difference between the fair value of the financing facility and loan proceeds received from the bank.
