Directors' Review

The directors are pleased to present the financial information for the six months ended June 30th, 2022.

The business delivered another half of strong double digit sales growth of 35.2%. The growth was consistent & competitive with a healthy mix of pricing and volume. Both segments delivered strong results fuelled by brand equity, wider reach and innovations.

Despite cost head-winds, gross margin increased by 26 bps to 43.6% driven by improved fixed cost absorption. Earnings per share (EPS) increased by 38.1% driven by growth and margin improvement.

Future Outlook

Pakistan's economic and operating environment remains challenging which is further aggravated by volatile commodity and forex outlook.

Consequentially, inflation has reached unprecedented levels which is significantly affecting the purchasing power of the consumers, thus forcing them to make sharper choices by down trading and down grading. Also, recent floods in the country are expected to have a bearing on crops and therefore livelihoods of our rural population. All these factors are expected to result in a slow down of the economy.

In the midst of this situation, the management remains committed to navigate the challenges and stay relevant to the consumer by leveraging the power of its brand, delivering delightful innovations, continuous efforts towards value for money proposition and driving cost transformation for efficiencies in the value chain. Our recent 'Blazin' noodles launch is a manifestation of our innovative mindset and commitment towards consumer preferences. We are confident that we will continue to deliver competitive, consistent, responsible and profitable growth benefitting all stakeholders.

Thanking you all.

INDEPENDENT AUDITOR'S REVIEW REPORT To the members of Unilever Pakistan Foods Limited Report on review of Interim Financial Statements

Introduction

We have reviewed the accompanying condensed interim statement of financial position of Unilever Pakistan Foods Limited as at June 30, 2022 and the related condensed interim statement of profit or loss and other comprehensive income, condensed interim statement of changes in equity, and condensed interim statement of cash flows, and notes to the condensed interim financial statements for the six-month period then ended (here-in-after referred to as the "interim financial statements"). Management is responsible for the preparation and presentation of these interim financial statements in accordance with accounting and reporting standards as applicable in Pakistan for interim financial reporting. Our responsibility is to express a conclusion on these interim financial statements based on our review.

Scope of Review

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of interim financial statements consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim financial statements are not prepared, in all material respects, in accordance with the accounting and reporting standards as applicable in Pakistan for interim financial reporting.

Other matter

The figures of condensed interim statement of profit or loss and other comprehensive income for the three month period ended 30 June 2022 and 30 June 2021 in the interim financial statements have not been reviewed and we do not express a conclusion on them.

The engagement partner on the review resulting in this independent auditor's review report is Moneeza Usman Butt.

NOTES TO AND FORMING PART OF THE CONDENSED INTERIM FINANCIAL STATEMENTS (UN-AUDITED) FOR THE SIX MONTH PERIOD ENDED JUNE 30, 2022

1. BASIS OF PREPARATION

1.1 Statement of compliance

These condensed interim financial statements of Unilever Pakistan Foods Limited ("the Company") for the six months ended June 30, 2022 have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan for interim financial reporting. The accounting and reporting standards as applicable in Pakistan for interim financial reporting comprise of International Accounting Standard (IAS) 34, Interim Financial Reporting, issued by the International Accounting Standards Board (IASB) as notified under the Companies Act, 2017; and provisions of and directives issued under the Companies Act, 2017. Where the provisions of and directives issued under the Companies Act, 2017 have been followed.

1.2 These condensed interim financial statements do not include all the information and disclosures required in the annual financial statements, and should be read in conjunction with the financial statements of the Company for the year ended December 31, 2021. However, selected explanatory notes are included to explain events and transactions that are significant to understanding of changes in Company's financial position and performance since the last annual financial statements.

1.3 Basis of measurement

These condensed interim financial statements have been prepared under the historical cost convention except as disclosed otherwise.

1.4 Functional and presentation currency

These condensed interim financial statements are presented in Pakistani Rupees which is the functional currency of the Company and figures are rounded off to the nearest thousand of rupees, except where stated otherwise.

2. ACCOUNTING POLICIES

The accounting policies and the methods of computation adopted in the preparation of these condensed interim financial statements are the same as those applied in the preparation of the financial statements for the year ended December 31, 2021.

3 ACCOUNTING ESTIMATES AND JUDGEMENTS

The preparation of these condensed interim financial statements, in conformity with accounting and reporting standards as applicable in Pakistan requires the use of certain critical accounting estimates. It also requires management to exercise its judgement in the process of applying the Company's accounting policies. Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectation of future events that are believed to be reasonable under the circumstances. Actual results may differ from the estimates.

During the preparation of these condensed interim financial statements, the significant judgements made by management in applying the Company's accounting policies and the key sources of estimation and assumptions are consistent with those that were applied to the annual audited financial statements of the Company for the year ended December 31, 2021.

- 5.1 During the year 2020, the Company entered into a long term borrowing arrangement with a commercial bank for installation of solar panels under State Bank of Pakistan's Refinancing Scheme for Renewable energy. The total facility is available for twelve years ending in 2032 and amounts to Rs. 149 million. The loan carries mark-up at the rate of 3.65% per annum.
- 5.2 During the year 2021, the Company has also entered into a long term borrowing arrangement with commercial banks under State Bank of Pakistan's Temporary Economic Refinance Facility amounting to Rs. 900 million. This loan carries a concessional mark-up rate of 2.3% and is repayable in 32 quarterly installments with a 2 year grace period commencing from first disbursement.

The scheme qualifies for the recognition criteria of a Government Grant as per IAS 20 Accounting for Government Grants and Disclosure of Government Assistance. As a result, the liability has been broken down into two components.

First one being recognition of a financial liability in accordance with IFRS 9 Financial Instruments which has been measured at Fair Value, that is, present value of future cashflows at the prevailing market rate.

Second component is the recognition of deferred income as a liability . This is the difference between the fair value of the financing facility and loan proceeds received from the bank.
