INTERIM DIVIDEND

The Directors have not recommended a Second Interim Cash Dividend for the period ended June 30, 2022. (Second Interim Cash Dividend for period ended June 30, 2021 of Rs.151/- i.e.1510% per ordinary share of Rs.10/- each).

FUTURE OUTLOOK

Pakistan's economic and operating environment remains challenging which is further aggravated by volatile commodity and forex outlook. Consequentially, inflation has reached unprecedented levels which is significantly affecting the purchasing power of the consumers, thus forcing them to make sharper choices by down trading and down grading. Also, recent floods in the country are expected to have a bearing on crops and therefore livelihoods of our rural population. All these factors are expected to result in a slow down of the economy.

In the midst of this situation, the management remains committed to navigate the challenges and stay relevant to the consumer by leveraging the power of its brand, delivering delightful innovations, continuous efforts towards value for money proposition and driving cost transformation for efficiencies in the value chain. Our recent 'Blazin' noodles launch is a manifestation of our innovative mindset and commitment towards consumer preferences. We are confident that we will continue to deliver competitive, consistent, responsible and profitable growth benefitting all stakeholders.

Yours faithfully,

UNILEVER PAKISTAN FOODS LIMITED
