#### **Directors' Review**

The directors are pleased to present the financial information for the half year ended June 30, 2020.

Sales grew by 17.4% on the back of strong brand equity, wider reach and effective spending on advertisement and promotion matched by timely pricing. Gross Margin increased by 0.96% to 42.4% due to savings and other initiatives. Earnings per share (EPS) increased by 81.1% versus the same period last year.

#### **Future Outlook**

The rapid spread of COVID -19 has caused severe disruption to the global socio-economic environment & Pakistan was no exception. Towards the beginning of the last quarter, the Government of Pakistan ordered a strict lock down which adversely impacted the industrial & commercial activities with ensuing hardship on the general public. As a responsible corporate citizen, your company contributed to the wellbeing of all the stake holders, while complying with the successive directives of the Federal & Provincial Governments. Despite the abnormal conditions, your company's performance in the last quarter was very encouraging.

Your company is cognizant of the challenges but will strive to continue to deliver creditable results, for the benefit of all the stake holders, based on its inherent strengths. These are access to global expertise, superior consumer understanding, continuous innovations & world class customer service.

Thanking you all.

INDEPENDENT AUDITOR'S REVIEW REPORT

To the members of Unilever Pakistan Foods Limited

Report on review of Interim Financial Statements

Introduction

Unilever Pakistan Foods Limited as at June 30, 2020 and the related condensed interim statement of profit or loss and other comprehensive income, condensed interim statement of changes in equity, and condensed interim statement of cash flows, and notes to the condensed interim financial statements for the six months period then ended (here-in-after referred to as the "interim financial statements"). Management is responsible for the preparation and presentation of these interim financial statements in accordance with

We have reviewed the accompanying condensed interim statement of financial position of

accounting and reporting standards as applicable in Pakistan for interim financial reporting.

Our responsibility is to express a conclusion on these financial statements based on our

review.

Scope of Review

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of interim financial statements consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified

in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim financial statements are not prepared, in all material respects, in accordance with the accounting and reporting standards as applicable in Pakistan for interim

financial reporting.

Other matter

The figures of condensed interim statement of profit or loss and other comprehensive income for the three months period ended 30 June 2020 and 30 June 2019 in the interim financial statements have not been reviewed and we do not express a conclusion on them.

The engagement partner on the review resulting in this independent auditor's review report is **Moneeza Usman Butt**.

# NOTES TO AND FORMING PART OF THE CONDENSED INTERIM FINANCIAL STATEMENTS FOR THE SIX MONTHS PERIOD ENDED JUNE 30, 2020 (UNAUDITED)

# 1.1 BASIS OF PREPARATION

These condensed interim financial statements of Unilever Pakistan Foods Limited ("the Company") for the half year ended June 30, 2020 have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan for interim financial reporting. The accounting and reporting standards as applicable in Pakistan for interim financial reporting comprise of International Accounting Standard (IAS) 34, Interim Financial Reporting, issued by the International Accounting Standards Board (IASB) as notified under the Companies Act, 2017; and provisions of and directives issued under the Companies Act, 2017. Where the provisions of and directives issued under the Companies Act, 2017 differ with the requirements of IAS 34, the provisions of and directives issued under the Companies Act, 2017 have been followed. These financial statements have been prepared under the historical cost convention except as disclosed elsewhere.

These condensed interim financial statements are presented in Pakistani Rupees which is the functional currency of the Company and figures are rounded off to the nearest thousand of Rupees.

A novel strain of coronavirus (COVID-19) that first surfaced in China was classified as a pandemic by the World Health Organization on March 11, 2020, impacting countries globally. Measures taken to contain the spread of the virus, including travel bans, quarantines, social distancing, and closures of non-essential services and factories have triggered significant disruptions to businesses worldwide, resulting in an economic slowdown. The potential impacts from COVID-19 remain uncertain, including, among other things, on economic conditions, businesses and consumers. However, the impact varies from industry to industry in different jurisdictions. Based on management's assessment, COVID 19 does not have a significant impact on the Company considering demand from its customers, availability of imports and measures taken by Government to support the industry in which the Company operates.

# 2. ACCOUNTING POLICIES

The accounting policies and the methods of computation adopted in the preparation of these condensed interim financial statements are the same as those applied in the preparation of the financial statements for the year ended December 31, 2019.

### 3 ACCOUNTING ESTIMATES, JUDGEMENTS AND FINANCIAL RISK MANAGEMENT

The preparation of these condensed interim financial statements in conformity with approved accounting standards requires management to make estimates, assumptions and use judgements that affect the application of policies and reported amounts of assets and liabilities, income and expenses. Estimates, assumptions and judgements are continually evaluated and are based on historical experience and other factors, including reasonable expectations of future events. Revisions to accounting estimates are recognised prospectively commencing from the period of revision.

Judgements and estimates made by the management in the preparation of these condensed interim financial statements are the same as those that were applied to financial statements as at and for the year ended December 31, 2019.

The Company's financial risk management objectives and policies are consistent with those disclosed in the financial statements as at and for the year ended December 31, 2019.

# 11. FINANCIAL RISK MANAGEMENT

The Company's activities are exposed to a variety of financial risk namely credit risk, foreign exchange risk, interest rate risk and liquidity risk. The Company is not exposed to any price risk as it does not hold any investment exposed to price risk. The Company has established adequate procedures to manage these risks.

These condensed interim financial statements do not include the financial risk management information and disclosures required in the annual financial statements; they should be read in conjunction with Company's annual financial statements as at December 31, 2019. There have been no changes in the risk management policies since the year end.
